EQUAL OPPORTUNITY POLICY OF **DIGNITY AND RESPECT**

Holbrook High School believes that it is our responsibility to provide a harmonious, orderly, and positive environment in which respect for the dignity and worth of every member of the school community is recognized and promoted. We believe that all employees, parents/guardians, and students are entitled to be treated and are obligated to treat others with courtesy, fairness, and decency. Only through the commitment and ongoing attention of each of us to a safe, caring, and supportive atmosphere can we expect to achieve our objective of empowering all of our students to become capable and responsible lifelong learners.

Holbrook High School has a diverse, multicultural school community, a fact that we consider an asset and a source of pride and enrichment. This diversity, however, underscores the importance of sensitivity to the backgrounds, feelings, and concerns of students and community members and of meeting the legal and moral imperative of an equal opportunity society free of prejudice and discrimination. Accordingly, in this high school, statements or behavior by any member of the school community which degrades, discriminates, harasses, or stereotypes any other person on the basis of race, color, and national origin, gender, disability, age, religion, and socioeconomic background is unacceptable and prohibited. Holbrook High School also stands in conjunction with the Equal Access Act, which states that no public elementary or secondary school or State or local education agency that provides an opportunity for one or more outside youth or community groups to meet on school premises or in school facilities before or after school hours shall deny equal access or a fair opportunity to meet.

A copy of the Holbrook Governing Board #3 policy JII, Student Concerns, Complaints, and Grievances follows and additional information may be obtained in the school office.

Be good to one another!

Postsecondary Education and Career Readiness:

Reaching the Determination level of the Aspiration's Model...

<u>Imagination</u> Sets goals for the future but does not put forth the effort to reach those goals.	<u>Determination</u> Sets goals for the future and puts forth effort in the present to reach those goals.
<u>Hibernation</u> Has no goals for the future and puts in no effort in the present.	<u>Perspiration</u> Works hard in the present, but has no goals for the future.

Quaglia Institute

Three Key Student Questions:

- (1) What are your **future career plans**?
- (2) What are your **postsecondary education plans** that will allow you to reach your future career goals?
- (3) What are you doing **now** to **prepare** yourself to successfully complete your postsecondary educational needs and reach your future career ambitions?

HS ECAP (Education and Career Action Plan) Model...

#1 Analyze and discover your ELEMENT (Sir Ken Robinson).	
Natural Aptitudes (What are you good at?)	Personal Passions (What do you love to do?)
#2 Research CAREERS that align with your Element and describe the POSTSECONDARY EDUCATION (credentials/skills/training) that will be required to enter those careers.	
#3 Identify PRESENT EFFORTS you can fulfill in order to reach your postsecondary education and career goals.	
HHS Course-curriculum Mapping	Co-curricular and Outside of School Mapping

*Students will interact with ECAPs via the following courses: Industrial Technology (9th); World History/Geography (10th); U.S. /Az. History (11th); and English (12th). Students are strongly encouraged to the **ASVAB** (especially if interested in the military) during their junior year; begin taking the **ACT** college entrance exam during the second semester of their junior year; and complete the **FAFSA** during January of their senior year.

Students are also strongly encouraged to explore the **College Readiness** course offered at HHS; utilize the **Career Center** as a valuable personal resource (see Mrs. White); and contact Ms. Percy regarding **financial aid, scholarship, and NPC Dual Enrollment information**.

NAVIT: Holbrook High School is pleased to invite you to apply to the Northern Arizona Vocational Institute of Technology. **NAVIT is a career and technical education program that is partnered with Northland Pioneer College**. These programs provide **career training at a college level** and the students that participate **earn college credit and** in some cases **state and national certifications/credentials**.

You can apply for the NAVIT programs toward the end of your sophomore year as long as you meet the following criteria:

- Have a minimum 2.0 GPA
- Have a good attendance and tardy record
- Have a good discipline record (no less than 70 points)
- On track to graduate (not failing any core requirement classes)

*Some of the programs do have other qualifying requirements per N.P.C.

Because of our unique geographical location, Holbrook High School has more programs to offer our students than any of the other ten school districts that participate in NAVIT.

- Certified Nursing Assistant (1 semester program offered senior year)
- Cosmetology (4 semester program)
- Construction Technology (4 semester program)

For further information or to apply to NAVIT, see Dr. Haussman in the office or Mrs. White in the Career Center.

Registration

Pre-registration packets are given to returning students at the end of the school year. Prior to the beginning of school each fall, registration is held. Dates and times are published in the local newspaper and aired on radio stations. Returning students who have not completed pre-registration will need to come with a parent to fill out necessary paperwork to finalize their admittance to school. Students may receive class schedules for the coming year at this time and upon review can meet with a counselor to make any necessary changes to their schedule. Students owing money need to pay the debt. The school nurse (per state law) verifies that all necessary shots have been taken.

New students and their parents need to bring necessary paperwork for enrollment. They will meet with an administrator as part of the enrollment process.

JFAA © ADMISSION OF RESIDENT STUDENTS

A student who is a resident of the District and who meets the applicable age requirements established by state law shall be admitted without payment of tuition to the school in the attendance area in which the student resides and may be admitted as a resident transfer student to another school in the District in accordance with the District's open enrollment policy. **For more information on this subject, please refer to our HHS handbook on the district webpage.**
Page 6

JFABC
ADMISSION OF TRANSFER STUDENTS
(Academic Credit Transfer)

Academic credit for students who transfer from private or public schools shall be determined on a uniform and consistent basis. **For more information on this subject, please refer to our HHS handbook on the district webpage. Page 7**

Promotion and Retention of students

Retention of students is a process that is followed when the professional staff, in consultation with the parent, determines it to be in the best interests of the student. Though primary grades are suggested as the most appropriate time, retention may be considered at any grade level. **For more information on this subject, please refer to our HHS handbook on the district webpage. Page 8**

Class Schedule Changes

Students at Holbrook High School are advised at the time of registration that their program for the coming year is to be a carefully planned one. This should eliminate, in most cases, the need for schedule changes. However, in cases where there is sufficient reason for a schedule change, those changes will be made in the following manner:

1. The student must obtain a change of schedule form from the guidance office.
2. The student must secure the following signatures in this order:
 - A. Teacher whose class the student expects to enter
 - B. Teacher whose class is being dropped
 - C. The student's parents/guardians
 - D. The student's assigned counselor
3. No schedule changes will be allowed after the second week of the semester without administrative approval.
4. A schedule change after the deadline has passed may be completed only by administrative action when such a change is deemed in the best interest of the student.

Class Auditing

If a student enrolls after the tenth day of a semester and has not been previously enrolled in another school, that student may be required to audit classes and not receive credit for those classes

Withdrawal from School

State law requires a withdrawal form, which must be signed by the parent or guardian and an attendance officer of the school. The student must have a signature and withdrawal grade from each teacher. Withdrawal is complete when the student has obtained signatures from the library faculty, each teacher, and an exit interview is held with an administrator or counselor. All accounts must be cleared with the office. A hold will be placed on all grades and transcripts until all accounts are paid.

Uniform Grading Scale

The following grade scale is used for all classes at Holbrook High School:

A+ = 98-100	A = 93-97	A- = 90-92
B+ = 87-89	B = 83-86	B- = 80-82
C+ = 77-79	C = 73-76	C- = 70-72
D+ = 67-69	D = 63-66	D- = 60-62
F = 59 and below		

Grade Point Average (GPA)

A student's grade point average will be based on all course work. No grades will be dropped in calculating the GPA that appears on a student's permanent record.

Grades will be given the following point values: A = 4.00; B = 3.00; C = 2.00; D = 1.00; F = 0.00.

Weighted Classes

Holbrook High School recognizes the following classes for weighted credit due to the advanced material covered and work required: All Pre-AP English classes, AP English classes, Advanced Chemistry, AP Studio Art, Honors World History, Honors Am/AZ History, Physics II, Trigonometry/Pre-Calculus, and Calculus. The following grade points are given for these classes: A=5.00; B=4.00; C=3.00; D=2.00; F=0.00.

HHS Honor Roll

The Honor Roll at HHS is comprised of the Principal's and Superintendent's List. At the end of the 1st and 2nd semesters, we acknowledge academic success by recognizing students for making the Honor Roll via the following designations based on the following criteria: **Principal's List**- a student must have a minimum 3.0 GPA with a minimum of one (1) C grade offset by an A or a weighted class; **Superintendent's List**- a student must have a minimum 4.0 GPA with a minimum of one (1) B grade offset by a weighted class.

HHS Report Card System

The report card system at HHS is based on a cumulative semester grade. This means the only grade that gets permanently placed on a student's transcript and counts toward his/her G.P.A. is the semester grade. Mid-term and quarter grades are indicators of where the student currently falls during the semester and therefore act as progress reports. A student's semester grade is based on scores accumulated during the entire semester (both 1st AND 2nd quarters for 1st semester and 3rd AND 4th quarters for 2nd semester).

2018-19 Report Card Schedule

Midterm 1	*AUGUST 30, 2018
End of First Quarter	SEPTEMBER 28, 2018
Midterm 2	*NOVEMBER 2, 2018
End of Second Quarter and First Semester	DECEMBER 21, 2018
Midterm 3	*FEBRUARY 2, 2019
End of Third Quarter	MARCH 1, 2019
Midterm 4	*APRIL 12, 2019
End of Fourth Quarter and Second Semester	MAY 24, 2019

Finals: are scheduled during the last four days at the end of each semester. Students must take the finals for each class on the days for which they are scheduled. Missed finals cannot be made up without administrative approval. Finals will not be given early unless extenuating circumstances exist and administrative approval has been granted.

Senior Class Rank/Honors: Class rank will be calculated at the end of the eighth semester and will include all letter graded course work. Calculation will be based on the highest 16 units of required courses and the highest 6 units of elective course grades. A valedictorian and salutatorian will be determined, which can result in "co" distinctions for each accolade.

National Honor Society (NHS): recognizes well-rounded juniors and seniors at HHS who display excellence in scholarship, leadership, service, and character. Students must have a minimum 3.25 GPA to qualify and must display "well-roundedness" by being involved in various and diverse school organizations and programs and respective leadership roles (e.g., athletics, clubs [esp. academic- and community service-oriented], fine arts, and student council). The student must also display sound character as determined by HHS school officials.

Governing Board Graduation with Distinction: Students who have a minimum GPA of 4.0 at the end of their eighth semester at HHS will graduate with Gov. Board with Distinction honors.

Academic Letter Awards

Will be issued to students at the annual Academic and Scholarship Banquet base on the following formula: 3rd Year (5 semesters at HHS with a minimum GPA of 3.5); 4th Year (7 semesters at HHS with a minimum GPA of 3.5).

Concurrent Enrollment with NPC: Students have the opportunity to **take courses from Northland Pioneer College during the school day at HHS**. This program is designed to expand the opportunities for students and give **college credit for college level classes while enrolled in high school**. Students interested in participating in NPC concurrent enrollment classes should meet with the junior and senior counselors for specific information pertaining to available classes and the amount of credit HHS/NPC will award for successful completion of each class.

Regent's Honors Tuition Waiver: A 25% Fixed In-State University Tuition Scholarship for one year following high school graduation for students who meet ALL of the following Criteria:

1. Complete all 16 Core Competency Courses by graduation with a "B" or better.
2. GPA of 3.5 or better OR a class rank in the top 5% of their graduating class.
3. Score at least a 28 on the ACT or a combined 1300 on the SAT.

Financial Aid and Scholarship: applications and information are available on the HHS website and with Ms. Percy.

Transcripts: At any time during the school year, parents and students may come into the Guidance Office and receive copies of transcripts from Mrs. Candelaria. Please keep in mind; once the student has graduated he/she will be the only person capable of requesting their official transcripts via a written fax or personally coming to the high school, whether it be for their own use or to be sent to a university or community college. **We will not be able to release any transcript to a parent or guardian without written permission from the graduate.** Please provide timely notification of transcript requests during summer hours.

Four Year Graduation Expectation: Holbrook High School has an academic focus and it is expected that all students graduate in four years. When students require an extra year to graduate, they forfeit the opportunity to participate in dances. These students are placed by administrators in programs that will enable them to complete their education as soon as possible and transition into their post high school lives.

PHX School: Students completing their high school education at the Phenix Schools may participate in all school activities including graduation, unless they were placed in the program for disciplinary reasons, in which case they may only participate in graduation. Students in this program must have 70 points to participate in school activities. **Seniors must have 70 points to participate in the graduation ceremony in any way.**

Online Student Participation in Holbrook High School Athletics

A student who is enrolled in a public, private, or charter online school and who is domiciled in the Holbrook School District **is not** eligible to participate in athletics at Holbrook High School.

Rationale

HUSD would receive no funding for online students.

Difficulty in verifying academic eligibility (weekly grade checks).

Difficulty in verifying progress towards graduation. (AIA required)

Helping students Help themselves Succeed 2018-19 PARENT/SCHOOL TITLE I COMPACT

Holbrook High School has been designated a Title I school. All students at Holbrook High School are considered Title I students and are eligible for supplemental educational services. At Holbrook High School, we believe it is the entire school's responsibility to provide **high quality curriculum and instruction** that supports our students' ability to: **critically read, write, and think; meet all graduation requirements; and effectively reach postsecondary education and career pursuits.** We also believe that **communication** between school and parents is essential to the educational process. At our annual **Back to School Night** we communicate core beliefs, frameworks, and values, and share the results of our ADE School Report Card with those in attendance. Mid-way through each quarterly grading period we mail **mid-term student progress reports** to parents. At each quarterly grading and semester period we mail **report cards** to parents. We have a **Parental Access Support System (PASS)**, which is accessible through the Internet by using a student identification number and PASS personalized identification number (PIN). At any time, PASS can be accessed so parents have up to date information on their child's attendance and academic progress. We utilize a **School Reach** phone system to communicate important information to parents and guardians. We provide a **website** that displays key school happenings, information, and frameworks. In order to facilitate dialogue between parents and teachers, one **parent/teacher conference** occurs each semester during a school year. Parents are also welcome to set up a conference with their child's teacher(s) at any time. We invite all parents to observe, participate, and volunteer in classroom and school activities. Please see the Guarantee for Success Compact that outlines the major roles that key stakeholders must play if student achievement is going to occur. Please review them with special attention to the theme of communication, which is spread throughout the compact. We believe that if all key stakeholders will be accountable for this "shared responsibility," student success will be guaranteed!

Guarantee for Success Compact...A Shared Responsibility!

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents and eligible students (18 and over) the right to inspect and review the student's education records maintained by the school, to ask that they be corrected if believed to be misleading or inaccurate, and requires the school to obtain permission before releasing information from a student's education record to anyone other than school officials with a legitimate interest, a school to which a student is transferring, audit officials, financial aid officials for specified students, organizations conducting certain studies on behalf of the school, accrediting organizations, the court system, health and safety officials, and the juvenile justice system.

FERPA also dictates that Directory Information may be given out without consent. Directory Information consists of the student's name, address, telephone listing, date and place of birth, e-mail address, photograph, grade level, major field of study, dates of attendance, enrollment status, participation in officially recognized activities and sports, weight and height if student is a member of an athletic team, honors and awards received, and the student's most recently attended education agency or institution. Parents and eligible students may request that Directory Information not be disclosed. Any request must be in writing and submitted to the Superintendent's office within two weeks of receiving this notice.

Transportation Services: A McKinney-Vento eligible student attending his/her School of Origin has a right to transportation to and from the School of Origin.

Holbrook Unified School District #3 **Family-School Partnership**

The Holbrook Family-School Partnership's mission is to provide opportunities for the school, family and students to actively participate in the educational process through a variety of activities and events; as well as, through multiple forms of communication that will enable each child to be successful in school.

What is a Family-School Partnership?

The Holbrook Family-School Partnership is a school to family and family to school initiative that involves sharing of ideas, establishing open, two-way communication between the school, family, and community, and instigating shared decision making in efforts to involve everyone in our students' education. The Holbrook Family-School Partnership--schools, families, and the community--recognizes that a child's education is a responsibility shared by all. To ensure that all students are effectively educated, the schools and parents must work as knowledgeable partners.

The Holbrook Family-School Partnership believes:

- ✓ Every child deserves a quality education.
- ✓ All participants should seek the best interests of the child.
- ✓ There should be a positive environment for the parents, school, and students to enhance the educational process.
- ✓ There should be honest and open communication between the parents, teachers, and students.
- ✓ It is a responsibility of the parents, teachers, and students to become involved in the educational process.
- ✓ Our community's diversity is a strength we can build on to establish programs and practices that enhance family involvement and reflect the specific needs of students and their families. Programs and practices will be comprehensive and coordinated in nature with the intent to create the best possible educational environment for all students.

What are the Family-School Partnership's goals?

- 1) Holbrook's Family-School Partnership will provide support for effective family involvement programs and practices through specific activities that enhance the understanding and implementation of effective family to school and school to family partnerships.
- 2) Once adopted, pertinent components of the Family-School Partnership policy and goals will be included in each school's student handbook. In addition, family involvement activities and services will be promoted through the local media, brochures, and the HUSD #3 website.
- 3) Holbrook's Family Involvement Partnership will assist schools with the implementation of the six standards for meaningful family involvement:
 - a) Communicating
 - b) Parenting
 - c) Student Learning
 - d) Volunteering
 - e) School Decision-making and Advocacy
 - a) Collaborating with the Community

These standards, developed by the National Parent Teacher Organization, were designed to help school and parent leaders develop dynamic parent involvement programs that are meaningful, well planned and long-lasting. The "National Standards for Parent/Family Involvement Programs," provides detailed information and quality indicators for effective family-school partnerships and will be used as a guideline for establishing Holbrook's Family-School Partnership.

- 4) Holbrook's Family-School Partnership will address barriers that hinder family-school partnerships and identify strategies to overcome those barriers.
- 5) Holbrook's Family-School Partnership will develop yearly action plans to ensure that family-school partnerships are progressive throughout the district.
- 6) Holbrook's Family-School Partnerships will work with school personnel, site council members, and community members to effectively communicate family-school initiatives.

What is meant by Family-School Partnerships?

Family partnerships can be defined in many different ways from attending parent conferences and school performances to more foundational needs such as:

- ✓ ensuring that children are at school every day and on time
- ✓ making education a priority
- ✓ setting a routine and providing a space for completion of homework assignments
- ✓ maintaining communication with school and teachers
- ✓ reading to or with children every day

Schools can promote effective family partnerships by:

- ✓ providing avenues for regular, two-way and meaningful communication
- ✓ promoting parental involvement and providing various resources for parents
- ✓ encourage families to play an integral role in assisting in each student's learning
- ✓ welcoming families in the school
- ✓ providing opportunities for families to participate in educational decisions

Working together, schools, homes, and the community can best support children's educational needs by:

- ✓ ensuring basic physical, social, and health needs are met
- ✓ setting goals and expectations
- ✓ seeking children's best interest in all decision making
- ✓ expressing positive attitudes

What are some barriers preventing effective Family-School Partnerships?

Holbrook's Family-School Partnership recognizes the barriers to meaningful family involvement and has a commitment to address those barriers in order to best meet the needs of families and students. Among the primary barriers identified are the following:

- ✓ distance and transportation
- ✓ technology and communications access
- ✓ time and competing priorities
- ✓ socio-economic status and job commitments
- ✓ intimidation factors (i.e. lack of education, poor literacy skills, personal insecurities, or adverse educational experiences)
- ✓ health issues or lack of child care

We also acknowledge that schools must work to break down barriers such as:

- ✓ inadequate communication
- ✓ lack of a welcoming atmosphere (including an open and welcome environment within the school, a warm reception by all staff, and accessibility to buildings)
- ✓ lack of planning or resources to provide transportation and child care, as well as holding meetings and activities at times conducive to the greatest participation
- ✓ addressing language needs through interpreters and written translations

Key School Policies, Procedures, and Protocols and Services

Attendance - Be Here! A student cannot learn, grow, and succeed if they are not in school; thus, consistent with state law, Holbrook School District #3 (Board Policy J-1650, JHB) holds to the philosophy that parents or guardians are primarily responsible for the attendance of their children at school. (ARS§ 15-802), “Every person who has custody of a child between the ages of eight and sixteen years shall send the child to a school for the full time school is in session with the school district in which the child resides...”

State law requires that a parent or guardian authorize a student’s absence from school and notify the school in advance or at the time of the absence. This notification saves the school time and helps to protect the child. If a student is absent and the school has not been notified, the school will do its best to contact the parent by phone. It is vital that the school have one or more phone numbers to contact a parent or guardian during the school day. If a phone number changes, inform the school right away.

When it is impossible for the parent or guardian to notify the school in advance or at the time of the absence, please notify the school that the absence was authorized on the morning the student returns to school.

If no notice of authorization is received within one day of the student’s return, the absence shall be considered unexcused (**UA**). State auditing procedures require that when a student is absent due to a doctor or dentist appointment the office must have a certificate from the physician or dentist on file. If a doctor or dentist note is not submitted to the office, a “parent authorized” (**PA**) code will be marked on the student’s attendance record instead of a “doctor appointment”.

Steps to Follow When Absent

1. Have the parent or guardian phone the school (928-524-2815) and notify the office.
2. Have the parent or guardian write an excuse giving their name, the name of the student, the date, the days of absence, the reason for the absence, and his/her signature.
3. Present this note to the attendance clerk on the day of their return, prior to going to 1st period.
4. All work missed must be made up. It is the responsibility of the student to ask for the work that was missed and turn it in as directed by the teacher. The student will be allowed no less than one day for each day missed to make-up assignments.
5. **Absences not verified within 24 hours of the students return to school will be considered ditching/truancy and referred to the administration for disciplinary action.**

Students are expected to be in school except in cases of emergency, or for the reasons listed below. These are the only legal excuses for absence from school:

1. Personal Illness- The school may require a certificate from the attending physician.
2. Illness in the family- It is expected that the student’s work will be kept current.
3. Quarantine- The absence arising from this condition is limited to the length of the quarantine as determined by the proper health official.
4. Death of a relative- The absence arising from this condition is limited to three days, unless reasonable cause is shown by a relative or parent for a longer absence.
5. Observance of a religious holiday- Any student may be excused if the reason for the absence is for the purpose of observing a religious holiday consistent with that person’s beliefs or creed.

Examples of unexcused absences are: ditching, missing the bus, hunting, shopping, vacationing, babysitting, oversleeping, or not attending school because of no clean clothes. If a student, or their parent or guardian, feel that there are extenuating circumstances that should be considered for an unexcused absence, they should consult with the building principal who has the authority to excuse the absence.

Parents must let the school know if a student will be out of school for an extended period due to prolonged illness. However, if a student is absent for ten consecutive days, his/her name will automatically be taken off the school roll. The student, however, may re-enroll.

The school must excuse all other prolonged absences prior to the absence. Calling the school and making prior arrangements, so as to give the teachers' sufficient time to prepare the homework for the student, can best facilitate family needs.

Reporting Absences to Parents

School absences will be monitored closely by school personnel. Parents/Guardians will be notified by letter after the 5th and 10th absence of each semester. A student-parent-administrator conference will be required after the 10th absence in any semester.

Loss of Credit Due to Absences

The Holbrook High School Governing Board approved policy on excessive absences reads that after the 10th absence from any class in a given semester, credit for that class or those classes may be pulled. An attendance hearing will be scheduled with the student, parent and assistant principal to determine if the student will lose credit due to excessive absences. This will apply even if the student who exceeds the allowable number of absences is passing the class. Parents/Guardians will be encouraged to bring supporting material such as doctors' notes. **Students who lose credit due to excessive absences will be placed on contract for the subsequent semester and be allowed to improve their attendance and have their credit restored.** Unexcused absences during the subsequent semester will make restoration of credit much less likely.

Extenuating circumstances which cause students to be absent more than the specified number of ten days, such as lengthy illness, hospitalization, serious personal or family problems, acceptable educational experiences, or other such causes which the administration and parents may agree upon shall be considered "unexpected events." If these cause the student to be absent for more than the specified period of ten days, the parents will bring this "unexpected event" to the attention of the administration for consideration of extenuating circumstances. Students who have been disciplined for "ditching" may not make this application. Students with a chronic health condition which may keep them away from school must procure a Medical Certification of Chronic Health Conditions form from the attendance office for their doctor to complete and return to the school. Students not completing this form will not be given consideration for chronic health problems when deciding loss of credit issues.

Ditching/Truancy

Class attendance is essential for success and academic achievement. Students and parents are responsible to make sure that all absences are cleared through the attendance office. Absences that are not cleared are considered ditching.

Tardiness

The staff at HHS believes that being on time for class is very important and adds to the success of all students. Any student that is tardy twice in one day will receive 2 Lunch Time Detentions (LTDs) and a loss of 5 points.

Beginning with the student's 1st tardy of each semester (starting the second week) an entire Lunch Time Detention (LTD) will be served in yet to be determined classrooms located in B-Building and C-Building. Students will receive written notification of this assignment. On the day of the assignment; students will go report to assigned classroom once lunch has started for the first ten minutes of lunch; where they will study. Students may get their lunch after serving LTD. Students who are chronically tardy will be disciplined according to the schedule in the discipline section, **Page 33.**

Navit students that have chronic tardies or absences to their zero hour class will result in removal from program.

Restricted Campus

Students will be expected to be on campus at all times from 7:50 am to 3:30 pm, unless they are signed out in the office by parents or guardians. Bus students are considered to be on school property upon boarding the school buses in the morning.

Lunch Time Policy

1. All students will remain on school grounds from the time they arrive in the morning until they are dismissed from school in the afternoon.
2. **A student may go off-campus for lunch so long as the proper parent consent form is signed and on file with the office. Students on behavioral/fighting, drug/alcohol, or attendance contracts do not have this privilege and the privilege for any student may be revoked by the administration if needed to keep or restore order.**
3. Students leaving campus without authorization will receive disciplinary action.
4. All students leaving campus for lunch, even if under parental supervision, are expected to be back to the start of afternoon classes on time. Lunch Tardies will not be excused without consent of administration.

Food Services

In concert with the Arizona Nutritional Standards Holbrook High School offers a breakfast and a hot lunch on a daily basis. Breakfast is served from 7:30 am to 8:00 am and lunch is served from 11:55 am to 12:35 pm. Students are assigned a number for their free meal.

Current meal prices for adults: Breakfast - \$2.00 and Lunch - \$3.50.

Health Office

A school nurse or health aide is available on a limited basis in the health office. These individuals do not take the place of a doctor.

A student must secure a pass from his/her teacher to visit the health office. If it becomes necessary for a student to leave school for any reason, arrangements must be made through the nurse and the office before being checked out. **Students who become ill at school must not leave the school without the knowledge and permission of the office staff.**

A limited selection of over the counter medications is available through the nurse's office. Students must have a current Medication and Health Information Consent on file to use these services. These medications do not take the place of appropriate medical treatment. Students who

have a fever over 100 °, are vomiting, coughing, or are visibly sick should stay home to avoid spreading the illness to others.

Medication at School

A school nurse, health aide, or office staff member may administer treatments or a single dose of medication if:

- a. A physician has prescribed the medication.
- b. The medication is in the original, labeled container with directions regarding its administration.
- c. The medication is accompanied by a signed *Consent to Give Medication at School form.*
- d. The medication is maintained at all times in the custody of the school nurse or office personnel.

Under certain circumstances including asthma, students may be allowed to carry medications with them. A signed consent form must be on file to carry inhalers or any medication. Please see the nurse for more information.

Immunizations

ARS§ 36-672 states immunizations must be up to date for school attendance. Students who register without adequate immunizations will be suspended until proof of the required immunization is received. Under certain circumstances students will be allowed additional time to obtain immunization records. Students who are notified of inadequate immunizations during the school year will have two (2) weeks to complete the required immunizations before suspension will occur.

Epidemic/Infestation Prevention

The Holbrook School District is a social organization in which students and staff closely interact and associate. As a result, it is important that any communicable illnesses are reported to the schools immediately. Parents have the obligation to report instances of MRSA, pink eye, lice, bed bugs, and any other such illnesses or infestations that may be spread from home to school. Students will not be allowed to attend school, under certain conditions, while the student has conditions that involve conditions that could spread to other students or staff.

The Holbrook School District will be diligent to communicate any epidemics or infestations that may occur within each school or throughout the District.

All student and employee health related policies may be found in Students Policy J-5250.

EBAA © REPORTING OF HAZARDS / WARNING SYSTEMS

(Pesticide Application Notice)

The intent of this policy is to ensure that students, employees, and parents/ guardians receive adequate notice prior to pesticide application.

In accord with A.R.S. [15-152](#), the District shall:

- A. Provide notice of pesticide application during a regular school session to students, employees, and parents/guardians, given in a form reasonably calculated to provide a warning at least forty-eight (48) hours prior to such application.
- B. Provide for oral notification to pupils and employees during the regular school session.

C. Provide written, electronic or telephonic notification to parents or guardians at least forty-eight (48) hours prior to the application of pesticides. **For more information on this subject, please refer to our HHS handbook on the district webpage. Page 22**

George Gardner Performing Arts Center

The performing arts center is located in the center of the high school campus. In addition to its use for evening plays and concerts, it is also used for school assemblies, awards assemblies, and other daytime events and performances. Events from all schools in the Holbrook District may be held in the performing arts center. High School students are not allowed in the center during the school day except under the supervision of a teacher or during a high school event.

Students who attend events must abide by the following rules. Backpacks are to be left in classrooms during events. Food, gum, and drinks are prohibited in the performing arts center. These items must be discarded in a trash can before entering the center. Students must refrain from putting their feet on the seats or seat backs. The school rules for cell phones and other electronic devices apply to the center and these items will be confiscated if seen in the center. Hats, hoods, and sunglasses may not be worn in the center. Students should walk at all times while in the center. Failure to comply with these rules will result in disciplinary action.

Library

The library is provided for the use of all high school students. Students may use the library at any time outside of class hours and during regular class hours with a pass from the teacher. The library will enforce “quiet hours” at all times including before school, noontime, and after school. The HHS library subscribes to periodicals, and daily and biweekly newspapers. The facility houses approximately 15,000 volumes and 9,000 pieces of audio-visual software for both student and teacher use. Lost or damaged books must be paid for to clear library records. Backpacks, food, drink, gum, electronic devices, and dark glasses are not allowed in the library. Students with outstanding fees or late books may not attend school dances until those issues are resolved with the librarian.

After School Tutorial

After school tutorial is provided for students who want or need additional assistance in classroom work. It is held **Monday through Thursday from 3:45 pm to 6:00 pm**. Certified teachers supervise and provide tutoring along with student tutors during this time. Students must sign in upon arrival and may leave at any time unless they ride the activity bus. However, once a student leaves tutorial, he/she may not return. An activity bus pass will be provided for those students who live on or near an activity bus route. All students who ride the activity bus will be required to attend the full tutorial session. Any student who arrives late will not receive a bus pass. Any student who falsifies the activity bus pass will be subject to disciplinary action.

Student Risk Analysis

The Holbrook Unified School District is dedicated to ensuring our schools have a culture of student safety and student success. During the 2018-2019 school year, any student that demonstrates identifiable deficiencies in the areas of substance abuse, violence, academics, and anti-social behaviors will be analyzed through a student risk analysis assessment. Each school will develop procedures for a risk analysis; as well as, implement interventions, with assistance from the parents, prior to recommending expulsion from the school. The intent of a student risk analysis is to help the student and parents seek interventions for personal academic and social deficiencies that may exist in students attending our schools. It is critical that students demonstrate positive behaviors on our campuses. Any behaviors that demonstrate potential risks to students, staff or the overall education institution will be addressed immediately.

Counseling

The counselors are here to help students whenever possible with available resources. They are responsible for scheduling, supporting academic achievement, advising students in post high school options, solving personal problems, and supervising group counseling. Students and parents can make appointments to speak with the counselor or arrange teacher conferences by calling the school at 928-524-2815.

***The counselors at HHS are not therapists or psychologists. They do not provide long-term therapy or psychological services to students.**

STUDENT ACTIVITIES

With administrative approval, persons who are not students at Holbrook High School may come as a guest of a Holbrook High School student to the Homecoming, Winter Formal, Morp, and the Junior-Senior Prom, providing they have a Guest Application on file in the assistant principal's office prior to the event. Guest Applications can be obtained in the assistant principal's office beginning three weeks before each dance. **Guests to Holbrook High School (HHS) dances must be under 21 years of age and should be enrolled in a high school or be high school graduates. Guests not enrolled in high school will be admitted to dances if they were approved for a dance the previous year as a high school student. All guests must have administrative approval to attend. Guests will be required to present picture identification and proof of graduation to be admitted to HHS dances.**
2. Six school personnel are required to be present. No dances will be allowed without the necessary chaperones.
3. If unfamiliar with a student, faculty chaperones may require a student to show a school I.D. card in order to be admitted.
4. Students who leave the building during a dance will not be permitted to return.
5. A faculty sponsor will deny admission to any student who has been drinking alcoholic beverages.
6. If refreshments are served, someone must be in charge and responsible for serving refreshments and for cleaning the area after its use.
7. School dropouts, expelled students, students with overdue library books, or students with fewer than 70 discipline points will not be admitted.

There are four dances held each school year:

1st semester: Homecoming and Winter Formal.

2nd semester: MORP and Junior-Senior Prom.

Student Council

The purpose of the student council is to initiate and plan the students' extracurricular activities. It coordinates student organizations and their activities for the benefit of everyone. Students are invited to attend council meetings; you may not participate in the meetings unless you request to be included on the agenda at least two school days in advance.

Key Arizona Laws Regarding Student Conduct

- A teacher may remove a student from the classroom who is disruptive. (ARS §15-841.A.2.)
- A school may reassign a pupil to an alternative program if the pupil refuses to comply with rules. (ARS§ 15-841.E; ARS§ 15-841.F.)
- A student can forfeit his/her right to a free public education. Expulsion is for continued disruptive behavior, or for violent or dangerous behavior. (ARS§ 15-841B.)
- School boards have the job of supporting and assisting teachers in the enforcement of rules. (ARS§ 15-843.D.1.-4)

Student Conduct

In addition to the general rules set herein, the student is expected to obey all rules and regulations adopted by the Board of Education for their conduct. Students shall not engage in any activities prohibited herein nor shall he or she refuse to obey any order given by a member of the faculty or staff who is attempting to maintain public order.

HHS Discipline Conceptual Foundation

- Harmony is a prerequisite of a meaningful educational and social experience. All of us share a vested interest in a safe, stable and orderly school.
- Punishment and discipline are two different things! The purpose of school discipline is neither “punishment” nor “forced control” of students but to nurture and when needed, demand cooperation so that our educational mission can be better fulfilled.
- A campus environment that reflects our educational purpose is vital.
- School rules (as are the laws that govern us) are written to protect righteousness in human relationships; thus, misbehavior is primarily an offense against human relationships and secondly a violation of school rules.
- Besides educating students, schools are also “people-citizen developers” and as a result improper student behavior and conflict can be a teachable moment in which offenders have a learning opportunity to increase their capacity to take responsibility for their actions and change their behavior.
- Accountability is taking responsibility for misbehavior, self-correcting misbehavior and most importantly, repairing the harm that results from misbehavior.
- The willingness to change disruptive and destructive behavioral patterns is more important than apologizing for them.
- Unfortunately, not all students will choose to cooperate with our rules and be accountable for repairing the harm that occurs from their misbehavior and as a result, stern decisions will have to be made in order to protect the academic and social integrity of HHS.

Student Conduct on Buses

The District takes a firm stance against misconduct and improper behavior on board the buses. Our number one priority is to transport students to school and back home as safely as possible in an orderly environment. In order to ensure the safety of all passengers on board these buses, misconduct, distracting, or improper behavior will not be tolerated. We have a zero tolerance policy regarding student conduct on the bus. Under Arizona law, it is a privilege not a right to ride a school bus. Your safety is the issue! Every student should be familiar with all the rules governing conduct of students while riding the bus. Some of the more important rules are:

- a. Remain seated while the bus is in motion.
- b. Keep head and arms inside the bus.
- c. Walk in front of the bus when crossing the street.
- d. Remain quiet enough that instructions from the driver can be heard at all times.
- e. Follow all direction from the driver or monitor.
- f. Profane language is prohibited.
- g. Lighted devices are prohibited.

Students are to conduct themselves consistent with established standards for classroom behavior. When students do not conduct themselves properly, the bus driver will speak to the student about their behavior and inform the Principal of the misconduct. The student's misconduct may be brought to the attention of the parents.

Students who are issued a bus conduct report may have their bus riding privileges suspended. In such cases, the parents of the student involved become responsible for transportation to and from school.

Bus Transportation Change Requests

All bus transportation change requests must be made **prior to 2:30 p.m.** during a full day of school and **11 a.m.** during a half-day of school.

Dorm students are not permitted to ride district buses. Unless under extenuating circumstances for which a phone call must be made & a bus pass issued.

Lunch Detention: Teacher assigned detentions are intended to serve as beginning levels of behavior modification: for minor misbehavior. Students are required to purchase/acquire lunch from the school lunch program when assigned to these detentions. These detentions are generally 5-10 minutes in length.

In-School Suspension (ISS): ISS is intended to serve as a mid-level behavior modification for minor or repeated misbehavior. A day in ISS is devoted to completing academic assignments. ISS will run from 7:55am - 3:30 pm Monday through Friday.

Out-of-School Suspension (OSS): OSS is intended as a consequence for serious or repeated offenses. The student is not allowed on the school campus during the period of suspension.

Community Service: The student is assigned to work with a school district maintenance person for a period of two hours after school.

Intervention: An intervention is a discipline technique used at the initial stages of discipline. Some examples of intervention strategies are:

- Student planning for future behavior
- Student and/or Parent Counseling
- Student social skill assessment
- Peer Mediation
- Mediation with a counselor or administrator

Holbrook High School Discipline Policy/Point System

Students at Holbrook High School are responsible for their own behavior. The following guidelines have been developed for a safe and orderly school environment. If a problem should occur, teachers, guidance personnel, administrators, police and parents may be involved in conferencing, counseling, and advising the student involved. Students who are referred to the office will be dealt with according to the approved policies.

Students will begin the school year with 100 points. Points will be deducted from this 100 points based on the level of the infraction and the number of infractions on that level. **Seniors must have 70 points to participate in the graduation ceremony.** Students who have lost a minimum of 75 points during the school year will meet with the Assistant Principal to sign a behavior contract for the remainder of the year. Students who lose their 100 points during the school year have lost the privilege of continuing as a student in good standing and may have the following options:

1. Be placed on a behavioral contract;
2. Withdraw from Holbrook High School, or
3. Be referred to the hearing officer for a long-term suspension hearing, or
4. Be referred to the Holbrook School District Board of Education for possible long-term suspension or expulsion from Holbrook Public Schools.

Points of Clarification

All procedures will be in accordance with Holbrook Unified School District policy.

Students involved in a second fight in the same school year may face long term suspension.

Any inappropriate acts that violate the law or are not specifically covered in this plan will be dealt with by the administration. Any extreme violations, in any category, may be dealt with more severely than the code prescribed. Police may be notified. Administration reserves the privilege to make appropriate or necessary decisions to meet the needs of students.

Students who have 70 or more points will be allowed to participate in athletics, clubs, dances, and incentive activities during the school year. **Students who have lost more than 30 points will not be allowed to participate in these activities. Seniors must have 70 points to participate in the graduation ceremony.** Students may do community service to replace points and become eligible for activities. A student may replace a maximum of 50 points per semester through community service or through other activities as stated below. Students working to replace points in order to participate in an activity must complete their community service activities at least 24 hours prior to the activity. Keep in mind that students may only complete HHS community service activities on Mondays through Thursdays from 3:45 to 6:15 pm. HHS does not sponsor community service activities on Fridays, Saturdays, or Sundays.

Replacement of Discipline Points

A student may replace up to 50 points per semester by successfully completing any of the following:

1. Four weeks of no Tardies and good behavior in all classes and around campus: 10 points.
2. Clean quad at lunch and improve his/her point total by 1 point per day. The administrator on duty will evaluate this process.
3. Clean the campus after school under the supervision of a custodian. Improve his/her point total by 1 point per 30 minutes of work. (2 students per custodian).
4. Complete a community service project, which positively benefits the community of Holbrook. The student can improve his/her point total by 15 points based on completing an individual community service project. **The service project must be pre-approved by administration at least five school days prior to the activity.** The sponsoring group must agree to the supervision responsibilities. The sponsoring group must provide evidence of completion to the school.
5. Participate in a counseling program either at school, with Community Counseling or any other program. The student can improve his/her point total by 5 points per semester based on the counselor's determination of student involvement and attendance to the counseling session. The counselor will confer with administration as to the number of points to be replaced. The student must request to put this process in action.
6. Maintaining a "B" average can earn 5 points back per semester. The student must bring this to the attention of the Dean of Students to acquire the points.
7. Five points will be awarded to students whose parents come in for a conference with administration, resulting in a significant positive change in behavior or grades. These points can be awarded at the end of each of the first three grading periods by student request.
8. Students assigned to ISS can earn up to 3 points a day. Points will be awarded when the student shows good behavior, follows the ISS rules, and completes assigned work while in ISS. Failure to cooperate in ISS will result in no points being awarded.

Due Process

Relative to student discipline, due process means that school officials must follow certain notice and hearing procedures before a student can be suspended or expelled. In some situations, there are also procedures which students may follow if they do not agree with the school's actions. Hopefully, students will never be in a situation where due process is needed. If a student is faced with a possible suspension or expulsion, the appropriate due process procedure will be implemented. The following summary provides an overview to acquaint students and parents with the existing procedures.

Short Suspension: A short suspension is 1-3 days. The notice and hearing required for a short suspension is more informal and abbreviated than for a long suspension or expulsion. There is no legal right to appeal a short suspension. The unit administrator may immediately suspend a student when the student's presence creates a danger to any student or school personnel. As soon as the danger subsides, the due process procedures for short suspension shall be initiated.

Long Suspension: A long suspension is 4-9 days. In addition to imposing a short suspension, the administrator may recommend that a long suspension be imposed.

Long Term Suspension: A long term suspension is 10 days or more when a student engages in behavior that is in violation of the rules and regulations set by the school. A formal hearing will be set by the Superintendent to determine length of suspension.

Expulsion: This is the permanent withdrawal of the privilege of attending a school, unless the Governing Board reinstates that privilege. Only the Governing Board can expel a student. Expulsion shall take effect only after a formal hearing is held and the Governing Board has made a decision to expel. Written notice shall be sent to the student and parent that the administration has recommended to the Governing Board that the student be expelled. The student and parent shall be given notice of applicable due process procedures. All expulsion hearings shall be conducted by a hearing officer that shall hold a closed hearing to protect the privacy of the student unless the parent requests that it be open to the public. The parent and any student subject to expulsion shall be given the written notice of the date, time and place for the hearing at least five working days prior to the hearing. The hearing officer's recommendation may be appealed by sending a written notice of appeal to the board within two working days after receipt of the hearing officer's decision. The board is the ultimate authority in the district and is not bound to accept the hearing officer's recommendation.

JKD © STUDENT SUSPENSION

A student may be removed from contact with other students as a temporary measure.

The authority to suspend a student for up to ten (10) days, after an informal hearing is held, rests with the Superintendent. This authority may be delegated to other administrators. If a danger to students or staff members is present, the principal may immediately remove the student from school, with prior contact with the parents and with a notice and hearing following as soon as practicable. Each suspension shall be reported to the Governing Board, within five (5) days, by the person imposing it. [A.R.S. [15-843](#)] **For more information on this subject, please refer to our HHS handbook on the district webpage. Page 43**

Search and Seizure Policy J-3400, JIH

Students possess the right of privacy of person as well as freedom from unreasonable search and seizure of property. This individual right is however, balanced by the school's responsibility to protect the health, safety and welfare of all of its students. School employees may conduct searches when they have reason to suspect that the health, safety, or welfare of students may be in danger. Any school employee making a search or a seizure will follow these guidelines:

1. General searches of school property (including personal items found in school property) may be conducted at any time when there is reason to believe that something that violates a law or school rule is on school property. This search of school property may be made without the student being present.
2. Illegal items (firearms, explosive devices, weapons, drugs, etc.) or other possessions reasonably determined to be a threat to the safety, security of others, or might possibly interfere with school purposes may be seized by school employees.
3. Items which are used to disrupt or interfere with the educational process may be removed from a student's person.
4. A student's person may be searched by school employees when there is reason to believe that the student has on his/her person illegal items that may interfere with school purposes.
5. The school maintains ownership of students' lockers. The school may and will search student lockers on a periodic basis to protect the health, safety and welfare of all students.

2. Possession of drug paraphernalia.
3. Possession/use/or being under the influence of alcohol.
4. Involvement or affiliation with a student using alcohol or an illegal drug.
