

HJHS PARENT/SCHOOL COMPACT

2014-2015

“HJHS No Less Than Your Best”

Holbrook Junior High School has been designated as a Title I school with a school wide plan. All students at Holbrook Junior High School are considered Title I students and are eligible for supplemental education services which have been developed by a committee of teachers, administrators, and parents.

At HJHS we feel that good communication between teachers and parents is essential to the education process. Here are some communication techniques we use to help parents stay abreast of the progress of their child and our school:

- At our annual Back to School Night we share the results of our A-F profile with parents and community.
- We send individual student’s progress reports home to parents four times each year.
- We schedule a time for parent/teacher conference twice each year for discussion about your child’s academic achievement. You are welcome and encouraged to set up a conference with your child’s teacher(s) at any time.
- We encourage parents to volunteer, observe and participate in school and classroom activities throughout the school year.
- In addition to these activities the following are the expectations of the school and from the parents by which we agree will provide the best education for our students.

As a staff we will:

Give our best effort.
Continuously expand your child’s educational ability.
Expect high quality performance.
Expect socially acceptable behavior.
Teach and respect our highly diverse population.
Discipline with dignity.
Provide high quality curriculum and instruction in a supportive and effective learning environment that enables students to meet the standards

As a parent I will:

Contact the school with any concerns.
Work with the school so my child can gain full potential from the educational experience.
Help teach responsible behavior to my child.
See that my child attends school regularly.
Encourage daily reading, interactive activities and limit television/video games.
Stress the importance to my child to do their best.
Set aside the time each day for homework.

As a student I will:

Attend school regularly and be on time.
Be prepared for class.
Listen and participate in class.
Respect and cooperate with others.
Follow all school rules.
Complete and return all work assignments.

It is the entire school community’s responsibility to effectively educate our students. Please take some time to review the commitments of this compact. We ask that you review this with your child and return to school with signatures. This will become our agreement to work together in the best interest of our student and your child.
