

How to Switch between students on a Parent Portal Account?

Upon initial login you will see a welcome message from the District, off to the left-hand side of the screen in a list of navigation tools you can use to get through the Parent Portal. These following steps allow you to filter through the students you have enrolled at HUSD#3.

1. Upon log in you will be directed to the Message Center.

2. In the top right-hand corner of the screen the students name will be displayed, click the drop-down arrow to allow you to move student to student
