Introduction

It is the purpose of this handbook to provide school district employees with a resource which gathers together all the pertinent information of policy and procedure related to their work. This is done in belief that staff morale improves when everyone understands the relationship of his/her work within the organization and knows his/her rights and responsibilities.

The Holbrook Unified School District conducts one of the largest and most essential businesses in our area. It is responsible for the proper investment of millions of dollars of public funds and proper use of the talents of more than 300 employees to ensure the best possible education for the students of the District.

This handbook has been prepared to provide District personnel with relevant information, policies, and patterns of practice. The handbook states policies as they exist at the time of publication. All policies are subject to change by the Board of Education.

It is essential that all school personnel be thoroughly acquainted with the handbook and refer to it frequently. Employees are urged to make suggestions for future improvement and revision.

Every employee - whether teacher, teacher aide, custodian, building and grounds personnel, office personnel, administrator, bus driver, or food service - is part of the team whose goal is to provide a high quality education for all students. We are all trustees of public confidence and as such must be dedicated to doing the most efficient and effective job of which we are capable.

Please use this handbook often to help you know and understand policies and procedures related to your job.

EMPLOYMENT INFORMATION

Employment Classifications & Procedures

Certified/Exempt

Support/Non-Exempt

Exempt: Exempt employees are not paid or given compensation time for hours worked in excess of 40 during the week. Normally, executive, administrative, professional, and faculty positions are exempt.

Non-Exempt: Non-exempt employees will be paid over-time pay as required by federal law, at one and one half times the hours actually worked in excess of a 40 hour week. All overtime must be approved in advance by your supervisor. Support personnel fall under the non-exempt classification.

Regular Employees: A regular employee is any individual who is employed in a position which is continuing in nature, for at least nine (9) months or more during a period of twelve (12) months.

Full Time Employees: A full time employee is one who regularly works 30 or more hours a week for at least the regular 9 month school year. These employees are eligible for full fringe benefits.

Part Time Employees: A part time employee is one who regularly scheduled for 29 hours or less per week. Limited fringe benefits may be available.

Temporary Employees: A temporary employee is in a position that is not expected to be ongoing or continuing in nature. Such employment is normally limited to a specific time period, not to exceed 10 months, with no expectation beyond the period specified.

Probationary Period: The probationary period for all support staff is ninety days, during which time the employee will be given a written evaluation and recommendation for continuance or termination.

Volunteers: Volunteers may be approved by the Governing Board to provide services at no cost or at a nominal fee. Volunteers must perform duties outside their

normal job responsibilities if they are a current employee of the District. The probationary period for certified staff is consistent with Arizona statutes regarding continuing and non-continuing teachers. All of the procedures for evaluation of certified staff and administrators are found in **Policy Reference #G CJ/GDO**.

Address Changes

If you have a change of address, a "Personnel Data Change Form" must be completed and submitted to the personnel department. Your payroll and personnel information will not be changed without this form. Contact the personnel office to request this form.

Job Posting Procedures

Any position will be posted unless it is an administrative transfer per **Policy Reference #GCK & GDJ** and according to the superintendent's discretion. Positions will be posted for five (5) days. Postings will occur in-house and on the HUSD#3 website at www.holbrook.k12.az.us under Employment Opportunities.

New Hire Paperwork

It is the responsibility of the supervisor and employee to see that all the necessary payroll forms are completed on or before the first day of employment. Pay checks cannot be processed or issued until all necessary forms are completed and received by the Personnel Department.

Outside Employment

Personnel may engage in outside employment providing:

- ✓ Outside employment is not done on District time.
- ✓ That such employment does not interfere with the individual's District job performance.
- ✓ That such employment does not endanger school-community relations.
- ✓ No School Equipment or resources may be used for outside employment.

Promotion and Transfer

The district office shall post notices throughout the district when any job opening occurs. Positions will be advertised for a minimum of five days except in case of emergency.

Those employees wishing to be considered for the position listed shall do so by submitting a letter of interest or application to the personnel office. The Superintendent may transfer an employee when deemed necessary. **Policy Reference #GCP/GCK.**

Resignation

Support employees intending to resign from service with the district shall present a written resignation at least two weeks in advance of their intended resignation date.

Once a certified employee signs a contract, the Governing Board may consider, on a case-by-case basis, a resignation requesting the Board to release the employee from the contract for the subsequent school year if the resignation is submitted by May 30. The decision as to whether or not to accept such resignation is within the sole discretion of the Governing Board. The Governing Board will not accept resignations after May 30 if the resignation is to be effective before the termination date of the signed contract unless the resigning employee demonstrates compelling reasons for the resignation. **In accepting early resignation, the Governing Board may assess liquidated damages of up to \$2,500. Policy Reference #DKA/GCQC.**

Post Retirement Employment Option (PREO)

Employees who meet certain criteria may retire, retain their State Retirement stipend, and return to the District at **80% of their current salary without insurance or 75% of their current salary with insurance**. All addendums, stipends, and/or extra-duty salaries for which an employee is eligible are also paid at the reduced amount of their determined addendum, stipend or extra duty salary. Criteria for this option includes being eligible for normal retirement during the current school year, having (3) three years of continuous service with the District, must obtain a recommendation by their principal or immediate supervisor, **must have a 3.3 or better on their most recent evaluation** and must have the approval of the superintendent.

Staff Evaluations

Personnel evaluations are conducted per District policy *GCO* for certified staff; *GDO* for support staff.

Reduction in Work Force

A reduction in the total number of staff members may be necessary because of such things as declining enrollment, a decrease in revenue or changes in the state educational requirements.

If a reduction in force is unavoidable, the Governing Board will retain follow policy GCQA. Reductions in personnel must also meet the requirements of the District's equal employment opportunity policy. **Policy Reference #GCQA**

Personnel Files

The personnel department maintains a personnel file for each employee. The employee's own personnel file may be reviewed by making a written request to the Superintendent. Confidential information obtained prior to employment shall not be available for review by the employee. **Policy Reference #GBJ.**

PAYROLL PROCEDURES

Overtime Pay and Authorization

Overtime work is discouraged because of budgetary implications. However, if an emergency need arises for overtime, prior administrative approval must be obtained. All approved time worked over 40 hours per week in the employee's regular assignment will be paid at one and one-half (1.5) times the hourly rate based on the assigned salary classification.

Work Week

Support staff work weeks will begin on Thursday of each week and end on Wednesday of each week. Work weeks will be comprised of Thursday- Wednesday in which the employee may work the number of hours that are designated on their Notice of Appointment. All work week hours must be clocked in and out through TimeClocks Plus. Any work performed outside of the normal work week must be reported to the employee's supervisor. The employee may not surpass their designated work week hours without prior permission from their supervisor. Negligence in overtime will be subject to disciplinary action.

Payroll Deductions and Taxes

Standard deductions from paychecks are made as required by state and federal laws. These include federal and state income tax, social security, and Arizona State Retirement (as applicable) payments. Your check stub will show how much was deducted in each area. If you elect an additional amount withheld for federal withholding, this amount will apply to all payroll checks, not just your contract pay. This will not change for special payrolls unless you complete a new W-4. Employees who claim EXEMPT for State and/or Federal will need to complete a new form EACH YEAR.

Each January, a federal W-2 form is sent to each employee. It indicates salary received and taxes withheld for the previous year. Questions or concerns regarding your payroll and deductions should be directed to the payroll office.

Direct Deposit

Each employee has the opportunity to have his/her net paycheck automatically deposited to the bank or credit union of his/her choice. Direct deposit must be committed to on a yearly basis.

Annual Notice of Delayed Pay

All employees will be on delayed pay each year. Pay schedules may be attained at the District Office.

Fair Labor Standards

Non-exempt employees are required to perform work described in their job description. Any employee is not allowed to "volunteer" to perform work within their job description. Any "volunteer" work must be preapproved by a supervisor prior to performing the work.

Timeclocks

To be considered for compensation, non-exempt employee time on duty must be tracked, approved, and reported through the district approved time tracking system (currently TimeClock Plus). Non-exempt employees are required to clock in at the start of their work assignment and promptly clock out at the conclusion of their assignment. Any misconduct, abuse, or manipulation of the time clock system is subject to discipline up to termination of employment. Such misconduct, abuse, and or manipulation includes but is not limited to: clocking in or out for another employee, allowing another employee to clock you in or out, taking deliberate advantage of the rounding procedures, clocking in or out from unauthorized clocks/sources, falsifying missed punches, misuse of job codes, etc.

On rare occasions the ability to clock in or out at the start or end of a shift is not possible using the time clock system. In such instances time should be reported immediately to the employees' supervisor for entry into the time clock system. Such instances include employees on travel or whose duties start or end at a location other than a school site where a clock is available.

Any falsification of time is subject to disciplinary action including felony charges.

Continuation of Health Insurance

Upon termination of employment, an employee and his or her dependents who are enrolled in the District's group health plan may be eligible for continued coverage under the plan at group rates for up to 18 months. The employee and/or his dependents must pay the full cost of the premium and also may be required to pay an administrative charge of no more than 2% of the premium. **(COBRA guideline)**. Employee health coverage ends the last day of the month of the last day worked.

State Retirement Plan

Full-time permanent employees working 20 hours or more per week are required by Arizona State Law to participate in the State Retirement Plan. Employee contributions are automatically deducted from pay. The District also contributes the same amount per year.

If you terminate employment, you may elect a refund on your own contributions, plus interest according to ASRS guidelines. In electing a refund you terminate membership in the plan and forfeit all rights and benefits you may have accrued.

Worker's Compensation

If an accident occurs while you are on duty you are protected under Workers Compensation of Arizona. Should you need to take off work for an extended period of time due to an on-the-job injury, the Industrial Insurance Carrier provides financial benefits of approximately 66 2/3 % of your rate for the 365 days prior to the time of injury. Payments from Workers Compensation are exempt from federal and state income tax, FICA, and retirement deductions.

All workplace injuries must be reported to the Alliance Triage at 1-888-252-4689.

Absences Without Pay

An employee shall be deemed "absent without leave" when absent from work because of (1) a reason that conforms to a policy currently in effect but the maximum days provided for in that policy will be exceeded, (2) a reason that does not conform to any policy currently in effect, or (3) failure to report to work without prior notification to the Supervisor/Administrator. **Policy Reference #GCCC, GCCD, GCCF, & GCD.**

Compensation for Emergency School Closings

The Holbrook School District has provisions for emergency school closings within the school calendar. These days may not have to be made up by students and certified staff if they do not exceed a number of instructional days or contract days added to the calendar above the minimum required by State statute or contract agreements. Certified staff members may be required to be present at school even if students are not required to attend, depending on severity of conditions as

determined by the Superintendent. Support staff will be given options to make up the time or take it as leave without pay.

PROFESSIONAL RESPONSIBILITIES

Professional Behavior A to E

Courtesy of the Holbrook Education Association

"A" is for

ATTENDANCE: No one can do what YOU do; the way you DO. Your performance affects the success of your colleagues also. "It takes a village."

"B" is for

BE ATTENTIVE TO STUDENTS: You chose a profession not a job. Your personal life gets left at the classroom door. Phone calls, e-mail, Facebook, or business need to wait for when students are not in your care otherwise you may "throw the baby out with the bath water!"

"C" is for

CREATE POSITIVES: Remember the Golden Rule. Praise more, punish less. Catch more flies with honey. What goes around comes around. (Pick your cliché, you get the idea.)

"D" is for

DEADLINES: When you're late you make someone else late. No one is perfect but "triumph" is a "try" with a little "umph" on it!

"E" is for

EVERYONE MAKES A DIFFERENCE: You are a member of a team. Whether it is grade level, department, school, or district you are a part of the body of HUSD #3.

BOTTOM LINE!!!

WE cannot function as well if even one member of the team is faltering. Don't be the "trick knee" be the "brace!"

Telephone Calls

You must have authorization from your principal or supervisor to make a long distance call. Use of personal cell phones is not allowed for personal business during work hours. Any exceptions must be approved by your supervisor or principal.

Personal Property

Please keep personal items such as purses, CD players, calculators, briefcases, etc. out of accessible places. **Policy Reference #ECAD.**

Purchasing Procedures

School employees often need to purchase supplies or services during the school year. If the District is to assume the cost of any purchase, a requisition form; that has been approved by the principal or immediate supervisor, must be submitted to the business office in order to secure a purchase order. This is done prior to the time the purchase is made. **NO additional purchases may be made beyond the general description on the purchase order.**

A District purchase order is the only official authorization to a vendor to provide goods or services. To avoid assuming the costs for these items personally, you must follow the procedure outlined above.

Uniforms

Holbrook Unified School District requires uniforms for the following maintenance personnel:

- Full-time, Part-time, and substitute custodians
- Full-time, Part-time, and substitute bus drivers
- Full-time, Part-time and substitute cafeteria workers

Uniform requirements are designated by department supervisors. Cafeteria workers in the High School kitchen must wear aprons while on duty.

Requesting/Reporting Absences-

A "Leave Request" must be submitted for prior approval for personal leave. In the case of an illness, you should notify your supervisor as soon as you know you are ill and unable to report to work. The same procedure should be followed for bereavement and family illness/leave. **Leave requests must be completed and returned to the building principal for his/her signature within 3 days of the leave of absence.**

Use of School Vehicles/Buses

No school vehicle shall be used for personal business, unless the personal business is incidental to a school-related trip. On a space-available basis, an employee's family may be included if noted on the "leave request form." Only Governing Board members or District employees may drive the vehicle. A school vehicle shall not be taken to an employee's home at night unless the employee has permission from the Superintendent. **Absolutely no use of cell phones while operating a school vehicle.**
It is against the law to use a cell phone while operating a school bus.

In addition any traffic violations or accidents must be reported immediately to your supervisor. All school vehicle use guidelines must be followed to retain the privilege in using school vehicles. **Any traffic violations must be reported to the employee's immediate supervisor and will be paid by the employee. Disciplinary action may be taken by the school administrator or Superintendent.**

Use of Personal Vehicles

The use of personal vehicles for school business shall be prohibited without consent by the Superintendent. In the case that a personal vehicle for school business is granted by the Superintendent, the school employee must provide proof of insurance prior to the trip that verifies the employee is carrying current insurance. The primary insurance will be acted upon in any accident while using a personal vehicle for school business. Reference: Policy EEAG and EEAD-R; Policy EEB. Reference Administrative procedure "Vehicle Check-In".

All employees have a responsibility to maintain safe conditions in their work areas as part of the normal work routine. Actions such as not leaving drawers open, not climbing on chairs or unstable ladders, and using caution when opening doors that swing out all help avoid accidents. Negligence towards adhering to safety conditions can be a disciplinary measure. Utilize proper caution when performing your duties. All injuries must be reported to the Alliance for workman's compensation benefit determination.

Dress Code

Jeans may only be worn with special permission and may not have tears or holes in them.

Key Procedures

Keys and security badges to the school district property or premises are issued to employees for official school business only. Do not loan or make your keys/badges available to any other person without the express written permission of your supervisor. Any lost keys/badges should be reported immediately to the Director of the Maintenance Department, the employee's immediate supervisor and the Superintendent's office. It is cautionary that any violations of this policy may comprise willful and negligent misconduct and that loss of keys may carry a minimum replacement charge of \$50 per entry that the key has access to; as well as, disciplinary action. In cases where locks must be changed, the cost of labor and materials will be taken into consideration in computing the final charges. Policy Reference #ECA, ECA-R, ECA-E, Administrative Procedure "Keys".

In no case shall the teacher leave students unsupervised if there is a reasonable possibility that harm to students or property will result from the students being left unattended.
